Welcome to the 28th year of theSpaceUK presenting work at the Edinburgh Festival Fringe

It's with huge energy and excitement that we present our 2023 programme. theSpaceUK experience is how this fabulous festival is meant to be seen, every genre of live performance in one spectacular programme.

Our ethos absolutely remains buried in the roots of the Fringe as a platform for all. We're very proud to be the

venue known for presenting new and original work, for harnessing grass roots performance, for identifying that untapped 'gem' as well as hosting work from established artists.

Whether it be at our very stylish Royal Mile venues, the magical Venue 45 or our state-of-the-art hub at theSpace @ Surgeons' Hall, Symposium Hall and theSpaceTriplex, complete with

new theatres and garden bars we look forward to hosting another vast array of exceptional work from across the globe.

Of course we can't make any of this happen without the commitment of all who bring shows. It's to those creatives that we applaud loudly as another August in Edinburgh beckons.

Welcome and enjoy.

Following her return from Neverland, Wendy Darling, now grown-up, moves to Hollywood to become a writer. This modern take on the classic story of Peter Pan features a captivating score and non-stop multimedia with celebrity video appearances by Jon Cryer (Pretty in Pink, Two and a Half Men) and Busy Philipps (Freaks and Geeks). Wendy, a charming, potty-mouthed mother to a tweenager, finds herself stuck in a 'creative death spiral'. Topical, heartfelt and hilarious, Wendy is '...a voice for all women who found out hard truths about the real world as they grew up' (Orlando Sentinel).
